\$1,000,000+ spectacular film **THE PLAYBOY**.  
This film brings together all the top porno stars  
from all over the world in what is the most expensive  
and best sex film seen in the country.

The Playbirds is nearly two hours of the best sex entertainment we have ever seen. The story line is magnificent, the acting superb and the direction, (from Denmark's ace porno Director, Wilhelm Boestein), is something else! You'll have NEVER seen a film like THE PLAYBIRDS - we urge you NOT to miss it. LONDON READERS will probably be interested to know that THE PLAYBIRDS opens on Thursday, 6th

July at the Eros Cinema, Piccadilly Circus. The first showing is at 11.00am - Be one of the first to see THE PLAYBIRDS, it's showing 7 days a week continuous performances at this cinema (late night show every night at 11.00pm).

**WE GUARANTEE THAT THIS WILL BE THE BEST SEX FILM YOU'LL HAVE EVER SEEN!**

# Hans & Mai

Hans and Mai are, in real life, Danish porno models. They're so stunning together (their sessions in certain issues of *Colour Climax* have become collectors items) that the publishers of Whitehouse paid for them to come to London for a special 'shoot'.

Mai's luscious, full curves never fail to induce a spectacular erection. Indeed, there's nothing she hasn't done, in the realms of hardcore. Nothing.

Perhaps what makes them so convincing is that they're real life lovers...

Know your own Home, it's how you live and time!

One of the things that Mar really enjoys is her work.

It is said that several professional porno studs have actually offered to pay for a session with Mai!

Hans can't help but drool over Mai's perfectly formed clitoris.

#### FOCUS ON HANS AND MAI

Not only are these lovely young couple appearing in our magazine, but also in Britain's top selling monthly magazine **PLAYBIRDS**. AND if you can believe it, an **EVEN MORE** sexually explicit poem! **Playbirds** is not only a superb magazine, for the first time a British magazine has gone into film production. So you can see lovely young models like this couple on the Big Screen! **Playbirds** have always brought you the very best beds, and the very best quality magazine. Now they bring you the best sex film of 1978. It's CALLED **'THE PLAYBIRDS'**, and it's planned to release the film around May in central London. All too often sex films are poorly made with little or no story line, but this is NOT true of **THE PLAYBIRDS**, the sex thriller which really thrills! The film is as good as any feature film you will have ever seen, BUT it's the sexiest as well, a unique combination of a good quality, fast moving film with a sensational story, but it's the sexiest film of 1978. **SO DON'T MISS OUT ON THE PLAYBIRDS.**

**THE PLAYBIRDS** opens on Thursday, 6th Feb at the Eros Cinema, Piccadilly Circus. The first showing is at 11 o'clock - Be one of the first to see **THE PLAYBIRDS**, it's showing 7 days a week continuous performances at this cinema - late night show every night at 11 o'clock.

**WE WOULD LIKE TO STRESS THAT THESE PICTURES ARE NOT FROM THE FILM 'THE PLAYBIRDS'.**

Mai holds her pussy lips open and lowers herself onto Hans during tongue. The sensations are incredible...

Mai stoops to take Hans cock into her mouth. What a sensational figure...

Holding her cunt wide open, the love-juices drip forth at such a rate that Mai knows it's time to take Hans's cock deep inside her...

The beginning of a beautiful relationship

After what seems an eternity of foreplay, Hans slides his  
cock deep into Mai's slippery, perfumed pussy

And rams it mercilessly up her, time and time again, until she's screaming with ecstasy.
